Event Supplemental Rules:

Download and read the CCWS BCCR: <http://chumpcar.com/rules.php>

Reading the rules is required by all CCWS drivers, crew and car builders.

Pit, Paddock and Garage Supplemental Rules:

- ⚡ SRPP1 – Pit lane spaces will be assigned.
- ⚡ SRPP2 – No crew members are allowed over the wall until the team car has come to a complete stop in the pit box.
- ⚡ SRPP3 – The Hot Pit Lane will be the exclusive fueling area. Fueling of race cars shall be completed by use of 5-gallon plastic jugs and funnels, hoses or other fueling adapters as specified in the ChumpCar BCR. Jugs must have sealable lids/caps. Metal fuel drums or other fuel containers and caddies with

manual pumps (no electric pumps) and hose lines are allowed to re-fill plastic jugs but are not allowed for re-fueling race cars. All fuel storage must be maintained on the “cold” side of the pit wall or kept within your transporter.

- ⚡ SRPP4 – All teams shall have one (1) fully-charged 10LB ABC fire extinguisher in their pit area. All teams shall have one (1) 10LB bag of kitty litter or other reasonable absorbent for oil leaks and/or fuel spillage in their pit area. Having a broom handy is also be advisable.
- ⚡ SRPP5 – Drivers may remain in the car during fueling and driver changes may also be completed. All engines and electrical kill switches must be off during fueling. **NO WORK ON ANY CAR SHALL BE COMPLETED DURING REFUELING.**
- ⚡ SRPP6 – All work and/or repairs that can be made to your race cars in under thirty (30) minutes may be executed in the Pit Lane; all repairs requiring more than 30 minutes time must be completed in the Garage Area. A penalty of 1 lap for every five (5) minutes of work in the pit lane that exceeds 30 minutes shall be levied.
- ⚡ SRPP7 – All team members over the wall during fueling must wear a Nomex driver’s suit, gloves and full-face helmet.
- ⚡ SRPP8 – Electric, propane or kerosene heaters within the “cold” side of the pit wall are allowed provided all heating elements or flame sources are directed away from any flammable material and are kept a minimum of 20’ from any fuel storage. No open flame stoves or BBQs are allowed in the cold pits.
- ⚡ SRPP9 – All cars, used or junk parts too big for a normal trash can, empty fuel drums and anything else you brought with you must be taken out with you. If you leave it behind, we’ll track you down... and it won’t be pretty.

ChumpCast Live! :Hybrid or Live Onsite Event –

Visit <http://chumpcar.com/chumpcast> for event info and live video feeds from in-car, pit lane and tower cameras. Listen to the live ChumpCar scanner network from your home computer or smartphone at select events.

Race Day Spectators/Dogs: Guests are welcome to attend Saturday and Sunday’s races and will purchase a weekend pit pass wristband for \$20 that provides access to the paddock and track viewing areas (plus in & out privileges). Children 16 and under are free when accompanied by an adult. All teams, drivers, crew, family & friends are required to have a wristband. And all dogs must be on leash at all times in the paddock area. If you have friends that will be regularly attending, it may be cheaper for them to become members as their pit passes are FREE!

Alcohol/Smoking: And as with all ChumpCar races, absolutely no alcohol during the race...including your guests and spectators (it’s grounds for immediate removal of your car and team from the race and property...period). And glass is never allowed on property. **NO SMOKING IN PIT LANE EVER and NEVER IN THE PADDOCK AREA WHEN FUELING.**

Concessions: The raceway food concession stand will be open for the event and it is REALLY good!

BBQs: The track does allow the use of small BBQs, charcoal or gas. Just remember BBQs must be supervised

at all times, a fire extinguisher must be within 15' of the open flame, and that all open flames are (at a minimum) 30' from all race cars, fuel storage or other flammable sources. ABSOLUTELY NO FIRE PITS!

Pit Vehicles: Pit vehicles are allowed in the paddock (but not anywhere else on track or off pavement), and must obey the 10 mph paddock speed limit. No one under 16 allowed on any ATV, golf cart, motorized bike, or scooter. Any pit vehicle violations will result in penalty laps to the associated team.

Track Walk: People may walk or ride a bicycle on the track after hours with permission from Sonoma Raceway management.

Drones: At no time during the entire weekend (hot track or not), drones of any sort are not allowed to be flown at the track.

Gear Equipment Vendor: The Sonoma Raceway Pro Shop will be open during our event and they are fully stocked however, We highly recommend series sponsor <http://www.RacerSafetyOnline.com> They offer great starter packages for Chumps..

Novice School: Novice school will be held Thursday and Friday night from 4:30pm-5:30pm. Location outside Registration booth, Maybe inside, depending on room availability and weather.

Living Timing: We will be broadcasting Live Timing via both www.ChumpCar.com; look for the Live Timing button in the upper right-hand corner of the Endurance page. An app for iPhones & Android is available for a small download one-time download fee...called Race Monitor. Learn more at <http://www.race-monitor.com/>

Camping/RVs: Camping is not allowed thursday. Friday and Saturday night camping in the paddock. Cost \$50. Pick up your RV pass at Registration. There are no RV hook-ups or black or gray water dumping. **Remember that the Front Gate will close at 10pm Thursday, Friday and Saturday night.** No pit fires, but BBQs are allowed. No excessive noise; quiet time is from 10:00pm – 7:30am. Teams will need to be off property following the end of Sunday's race by 7:00pm.

Fuel: Fuel will be available at the track!

Weather: We're racing regardless of weather. Yes... Enzo you heard it right...
